

**CANDIDATE FOR GOVERNING BOARD MEMBER
SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT**

NAME: ANTONIO F. DUPRE, SR.

AGE: 47

OCCUPATION: Business Owner

Living in this area for over 29 years, serving as an active School Board member for the past nine years, and raising my children in the San Bernardino City Schools, has given me a solid understanding of the needs of students, parents, community members and educators. I understand the importance of making certain that our young people are prepared to enter into the workforce and college.

As your school board member, I have been personally responsible for helping implement many effective programs that assist all students, including Middle College High School, adult education, homework centers and after school programs. I firmly believe in community partnerships that involve the public in the education of our students. I am committed to ensuring that our students are prepared for the future with strong reading, writing and math skills.

I want all our children in the public schools to obtain the best education possible in an environment committed to educational excellence for all students.

As your Board member, I will continue to work hard to ensure that our School District meets the needs of our children, supports our teachers, support staff and administrators to guarantee the highest quality education!
